HIS SECOND VICTIM!

HIS SCRAPE EIGHT YEARS AGO.

Lee Montjoy shot and killed Harvey Harris, colored, near the old King hou on East Fourth street.

The aftray occurred about cieven

'clock

Two shots were fired, only one of which took effect, the ball entering about the center of the breast, causing death almost instantly.

The facts, as far as they could be

scertained, are as follows: It seems that Harris had gone out on

Fourth street for the purpose of escorting Leeann Banion, a colored woman, who was visiting her sister, to her home in the Fifth Ward.

Montjoy was near the house when Harris came along, and Montjoy says he (Montjoy) asked him where a man by the name of Tom Sowers fived.

Harris replied that he was not "keep ng Tom Sowers."

An alterestion followed, in which

Montjoy claims Harrls struck him in the face, and was about to repeat the blow when he fired.

Soon after the shooting Montjoy gave

himself up to Officer Stockdale, who placed him in iall.

In addition to the weapon used, a 8-caliber Smlth & Wesson, an ugly looking knife with a blade about four

lnches long was found in his pocket,
Harris was one of the best known
colored men in Maysville. He has beer a familiar figure about the hotels for a long while. For some time he has been engaged at hauling baggage between the derot and the different hotels. He was about thirty years old, end came to this county from Cynthiana about ten years ago, where his parents still live. He was unmarried.

This is not the first shooting scrape Lee Montjoy has figured in. About eight years ago he killed a colored man by the name of Lewis Berry, within thirty feet name of Lewis Berry, within thirty teet of the spot where he killed Harris last night. For this he was acquitted on the ground of self-defense. A post mortem was held on Harris's body by Dr. C. C. Owens. From the
